2009

Who: CCBC Members and guests
 What: Annual trip to ride the Withlacoochee State Trail
 When: March 3-5, Wednesday, Thursday, Friday

The Withlacoochee State Trail is a 46-mile long Rails-to-Trails project with a 12-foot wide asphalt surface. It is scenic and well-marked. It lends itself to individual choices of speed and distance, so there truly is something for everyone. Our trip is very informal, and a lot of fun. Come join us!!

We will headquarter at the Central Motel, which is located adjacent to the trail in Inverness, FL, at 721 S. US 41, (352) 726-4515 or (800) 554-7241 . Inverness is located approximately 2 1/2 hours from Venice. Take I-75 North to exit 314 (old 63). Drive West on Rte. 48, then North on US 41.

Non-smoking rooms are being held for CCBC members for the nights of March 3-4. Call as soon as possible for a reservation and mention that you are with the Coastal Cruisers.

Everything is completely flexible. Because everyone is responsible for their own meals, lodging, etc., you are absolutely free to do as much or as little as you like. The following events are used as our general schedule guideline for planning purposes.
